1. Controller Information

Controller within the meaning of Article 4(7) GDPR:

DSAINT

Distributed Sovereign AI Infrastructure Nodes Technology

Germany

Email: info@dsaint.eu

If DSAINT establishes a registered legal entity, this section will be updated accordingly.

2. Scope of this Privacy Policy

This Privacy Policy explains how personal data is processed when users access:

- dsaint.de
- dsaint.eu

The policy applies to:

- Website visitors
 - Municipalities
 - Enterprises
 - Universities
 - Research institutions
 - Infrastructure partners
 - Investors
 - Citizen AI Node applicants
 - Other persons communicating with DSAINT
-

3. Legal Basis of Processing

DSAINT processes personal data based on:

[Article 6\(1\)\(a\) GDPR](#)

Consent

Article 6(1)(b) GDPR

Performance of a contract or pre-contractual measures

Article 6(1)(c) GDPR

Legal obligations

Article 6(1)(f) GDPR

Legitimate interests

4. General Principles of Data Processing

DSAINTE processes personal data according to:

- GDPR
- German Federal Data Protection Act (BDSG)
- TTDSG and applicable electronic communications regulations
- Other applicable European and German laws

DSAINTE follows the principles of:

- Lawfulness
 - Fairness
 - Transparency
 - Purpose Limitation
 - Data Minimization
 - Accuracy
 - Storage Limitation
 - Integrity and Confidentiality
 - Accountability
-

5. Website Hosting and Infrastructure

The website is built using:

- Next.js
- React
- TypeScript
- Tailwind CSS

Hosting and deployment services may be provided through:

Vercel Inc.

Purpose:

- Website hosting
- Content delivery
- Infrastructure security
- Operational reliability

Legal Basis:

Article 6(1)(f) GDPR

DSAINTE seeks to ensure appropriate safeguards for international transfers in accordance with Chapter V GDPR.

6. Vercel Analytics

DSAINTE may utilize Vercel Analytics to better understand website performance and improve user experience.

Depending on configuration, analytics processing may include:

- Page visits
- Device information
- Browser information
- Technical usage metrics

Legal Basis:

Article 6(1)(f) GDPR

Where consent becomes legally required under future interpretations of applicable law, DSAINTE will implement appropriate consent mechanisms.

7. Server Log Files

When accessing the website, technical information may be automatically collected.

This may include:

- IP address

- Browser type
- Browser version
- Operating system
- Date and time of access
- Referrer URL
- Requested resources
- Error messages

Purposes:

- Security
- Fraud prevention
- System administration
- Technical optimization

Legal Basis:

Article 6(1)(f) GDPR

Server logs are retained only as long as necessary.

8. Contact Form Processing

The website provides contact forms for communication purposes.

Data may include:

- Name
- Organization
- Email Address
- Message Content

Purposes:

- Partnership inquiries
- Municipality inquiries
- Research inquiries
- Investor inquiries
- General communication

Contact forms are processed through:

Formsfree

Form submissions are transmitted securely to Formsfree for delivery and processing.

Users should review Formsfree's Privacy Policy for additional information.

Legal Basis:

Article 6(1)(b) GDPR

and/or

Article 6(1)(f) GDPR

9. Communication by Email

If users contact DSAINT via email, personal data contained within the communication may be processed for:

- Responding to inquiries
- Maintaining correspondence records
- Protecting legitimate interests

Legal Basis:

- Article 6(1)(b) GDPR
 - Article 6(1)(f) GDPR
-

10. Language Selection and Translation

The website may offer multilingual content.

Where external translation services are used, technical information necessary to deliver translated content may be transmitted to the relevant provider.

Users should consult the privacy policies of such providers where applicable.

Legal Basis:

Article 6(1)(f) GDPR

11. Cookies and Similar Technologies

At present, DSAINT does not intentionally use:

- Advertising cookies
- Profiling cookies
- Marketing cookies

Only technically necessary technologies required for website operation may be used.

If additional analytics, marketing or tracking technologies are introduced, this Privacy Policy will be updated and consent mechanisms implemented where legally required.

12. External Links

The website may contain links to:

- LinkedIn
- GitHub
- Government organizations
- Universities
- Research institutions
- Technology partners
- PDF documents

When users leave the DSAINT website, DSAINT has no control over third-party processing activities.

Users should review the privacy policies of external services.

13. Data Retention

Personal data is retained only as long as necessary to:

- Fulfill intended purposes
- Meet legal obligations
- Protect legitimate interests
- Resolve disputes

Data no longer required will be deleted or anonymized where feasible.

14. International Data Transfers

Certain providers may process information outside the European Economic Area (EEA).

Examples may include:

- Vercel
- GitHub
- Other infrastructure providers

Where transfers occur, DSAINT seeks to implement safeguards including:

- Standard Contractual Clauses (SCCs)
 - Adequacy Decisions
 - EU-U.S. Data Privacy Framework participation where applicable
-

15. Security Measures

DSAINTE implements technical and organizational measures including:

- HTTPS encryption
- Access controls
- Role-based permissions
- Data minimization
- Security monitoring
- Restricted administrative access

DSAINTE's long-term security framework is aligned with principles derived from:

- BSI IT-Grundschutz
- Security by Design
- Zero Trust concepts

No internet-based system can guarantee absolute security.

16. AI and Data Processing Statement

DSAINTE is an AI infrastructure initiative.

Personal data submitted through the website is not used for AI model training unless explicitly stated and lawful consent has been obtained where required.

The primary purpose of data processing is communication and website operation.

17. Community Compute Federation Notice

Future DSAINT services may include participation in the Community Compute Federation and Citizen AI Node programs.

Should such services be launched:

- Separate participation agreements may apply
- Additional privacy information may be provided
- Dedicated operational policies may be published

Participation requirements and processing activities will be communicated before enrollment.

18. Rights of Data Subjects

Under GDPR, users have:

Article 15

Right of Access

Article 16

Right to Rectification

Article 17

Right to Erasure

Article 18

Right to Restriction of Processing

Article 20

Right to Data Portability

Article 21

Right to Object

Article 7

Right to Withdraw Consent

Requests may be submitted to:

info@dsaint.eu

19. Right to Lodge a Complaint

Users have the right to lodge a complaint with a competent supervisory authority if they believe their personal data is processed unlawfully.

This right exists without prejudice to other legal remedies.

20. DSAINT Project Disclaimer

DSAINTE is currently presented as a Concept Development Initiative and infrastructure development project.

Information published on this website is provided for informational purposes only.

Nothing contained on the website constitutes:

- Investment advice
 - Securities offering
 - Solicitation of investment
 - Financial recommendation
-

21. Changes to this Privacy Policy

DSAINTE reserves the right to update this Privacy Policy to reflect:

- Legal developments
- Technical developments
- Organizational developments
- New services

The latest version will always be published on:

- dsaint.de
- dsaint.eu

Users are encouraged to review this Privacy Policy periodically.
